## CTIM OF TB LAUDS PLAN TO BRING RAY UNIT TO CITY

The Albany Junior Chamber of Commerce this week received endorsement of their plan to bring a mobile x-ray unit to Albany offering free chest x-rays to all residents. In a letter to the young businessmen, E. L. Forest of 923 Taylor St., advised with tuberculosis, urged residents to avail themselves of this opportunity during the seven days the unit will be here.

Had a tuberculosis skin test was negative," Forest said in letter. "Four months later I was told by the x-ray unit and all I felt that I was in good luck and was in the age group afflicted with TB. I decided to stop and have an x-ray.

The few seconds I spent in the unit showed I had tuberculosis in fact, quite a cavity. Unfortunately tuberculosis has no symptoms until it is in an advanced stage.

The cure for this disease is a long and expensive process, and when it is detected the quicker it can be effected. Don't take chances on jeopardizing your life and that of your family. An x-ray, it takes but a few minutes and may save you months of suffering.

The x-ray unit will be on Solano Street opposite the Albany Theatre, Nov. 9, 10, and 12. It will then go to Dagna's Market, 1382 So. Ave., and be there November 17, and 18. Hours will be 10 a.m. and persons 15 years and over will be x-rayed.

E. S. O. E. S. chapter of Albany, 1550, will hold their regular meeting Friday, Nov. 5, at the Maccabee Hall, Kains and Marina Sts. There will be a pot-luck for all members at 6:30.

Marjorie O. Roderick, Worthy Patron, Harold W. Worthy, will preside over the meeting.

## Hi-School Choir Thanks Rotary For New Robes

At their dinner meeting Monday, the Albany Rotary Club saw the results of a drive last spring to furnish the High School Choir with robes befitting their many notable accomplishments in the Bay Area.

Gowned in the robes of deep maroon poplin with white satin stoles, the group expressed in song their gratitude to the Rotarians who made a reality of what had so long been a dream. With the Choir in the background singing "If I Could Tell You," Stephen Lehmer, director, spoke their thanks.

Other numbers included "Songs My Mother Taught Me" and "Green Cathedral" by the Girls' Glee Club. To the tune of a popular Negro spiritual, the Boys' Glee Club sang "I Got a Robe." Backed by the choir, Bob Crawford sang "Song of the Vagabonds." As an encore the entire group joined in "Vanka N' Tanka," a Russian folk song, arranged by Lehmer. Marilyn Granholt was the accompanist.

Al Galigher as program chairman for the day introduced the speaker, Alex Calhoun from the California State Fish and Game Commission. He told of the introduction into California of the striped bass.

Appointed as program chairman for next Monday's meeting, Jack Flynn is planning to have Lt. Commander C. N. G. Hendrix, USN, Commanding Officer of the submarine USS Tiro as guest speaker. Members were asked to bring a veteran of World War II as their guest.

## Football Nite Planned By Marin Dads Club

The Marin Dads Club with the able Fred Meyers presiding will hold their Annual Football Nite at their regular monthly meeting on Tuesday, Nov. 9, at 8 p.m.

Program Chairman Bill Dutton has arranged an evening that will be of interest to all sports-minded Dads. Tommy Fitzpatrick, Commissioner of College Football, Jack Shaw, Tide Water Associated Sportscastrer, and Bert Griffin, Captain of the 1926 Wonder Team at the University of California will all be on the program. There will also be movies, one of the 1947 California U.S.C. game, and one of the 1947 '49ers-Cleveland professional game.

To top off the evening an All-American Conference football autographed personally by the '49ers will be given away.

## CARD PARTY

Mrs. Alfred Howard, president of Berkeley Ladies Auxiliary to the Postal Supervisors, was hostess at a card party at her home, 1617 Tacoma Ave. on Oct. 26. A dessert luncheon was served. Decorations were in the Halloween theme.

Abbey Simon, successful concert pianist, will play at the High School Auditorium Saturday night, Nov. 6, as the second artist in the fall-winter season of the Albany-El Cerrito Community Concert Association.

## Albany Soroptimist News By BEA RAYMOND

The regular business meeting of the Albany Soroptimist Club, Wednesday, Nov. 3, was called to order by the president, May Ellis Olson and was almost as surprising as the election, for this meeting was very entertaining, amusing and educational.

In the first place, every little old Soroptimist sister was in her chair and answered the roll call, Janet O'Keefe, ways and means committee, custodian of the fine box, sure pulled a boner. She fined every one who voted for Dewey, thereby having a very light jingle in her old fine box, but she did sing us a very nice song.

We were fortunate in receiving into full membership, Louise Storck, Storck's Plumbing; Bernice Boyd, assistant secretary of the Albany Savings and Loan Association and Ruby Kampe, Moore's Electric. These are very fine girls and no doubt will add a great deal to our Soroptimist club.

Several very important committee reports were received and we must make special mention of Betty Allison, apartment house owner. She has taken over a case of polio and is caring for transportation for this unfortunate girl to and from the hospital and doctors and is making one unfortunate family feel that the Soroptimist Club does care and is willing to help them in their trouble.

Again our meeting adjourned promptly at 1:30, thanks to President May not being afraid to use that gavel.

## Marin Fourth Grade Wins Party in PTA Membership Drive

The fourth grade, taught by Mr. Vance Teague, was the first class at Marin School to attain 100 per cent in the membership drive sponsored by Marin Parent-Teacher Association. The children were rewarded with a party on Oct. 25.

Refreshments consisted of individual pumpkin pies, apples cut out in the form of pumpkins and candies. Games and prizes were enjoyed by the children. Mrs. C. A. Converse was in charge of arrangements.

The class was awarded with a plaque reading: "We are 100% PTA."

A group of members of the Marin PTA met recently with Mrs. W. J. McNulty, membership chairman, at her home, 729 San Carlos Ave. Those attending were Mesdames J. W. Neuhauser, C. E. Fosselius, H. Morton, W. B. Knapp, J. Golden, H. T. Duncan and George F. Klarman.

## PTA COUNCIL'S SCHOOL OF EDUCATION TO MEET NOV 18

The School Education committee of the Berkeley-Albany Council of Parent-Teacher Associations will meet at Thousand Oaks School Cafeteria, Tacoma and Colusa Aves., Berkeley on Thursday, Nov. 18, at 9:15 a. m.

## Community Chest Drive Gets 98 Pct. Of Albany Goal

With \$8,584 collected on a \$8,800 goal, the Albany Red Feather Drive was at the highest percentage of any of the Bay Area. Best campaigns. While the Albany goal was within reach, the over-all picture for the Albany, Kensington, Berkeley Area is unfavorable with only 78 per cent of the goal attained. An urgent appeal is still being made for additional contributions or for those who have given to increase their pledges to the 22 agencies represented by the Chest.

General Woolworth of the Albany Division states that Albany's success is due to the diligence and devotion of the Chest workers to this humanitarian cause and to the fact that over 2,200 citizens and businessmen contributed to the drive.

"I would like to express my sincere and heartfelt thanks," he said, "to all the Chest workers who gave so generously of their time and effort to make this drive a success."

## MORGAN'S MEANDERINGS By MORGAN THOMPSON

When George Hollfelder set out to dig himself a well at his Lake Tahoe cabin he found that with the days getting colder he was not getting any warmer even though he was 15 feet nearer an allegedly hotter spot. So when the downy crystals of snow began to fall, George gave up the project, cold as the proverbial weldigger.

Remember the stories carried in the Times during August on a project sponsored by the East Bay Chapter, Neighbors of Woodcraft to aid Bertine Barber? She is the young lady from Niles who was totally paralyzed for 10 years as a result of an accident while picknicking. John "Tiny" Kampe who had charge of ticket sales in Albany for a baseball game to raise money to send Miss Barber to a hospital in Los Angeles, tells me that after treatment in L. A., Bertine is now at home and doing fine. She is able to walk unaided for as far as 25 steps and has regained use of her arms.

A note in the Rotary Club's bulletin, Rota-News, tells of a golf game in which Elmer Coble and Dr. Frank Borgio were matched with Bill Simmons and Rev. O. A. Odegard. Rota-News suggests that Rev. Odegard should have been given a handicap since each player kept his own score. Another sporty Rotarian, Al Hackim, is planning a fishing party.

The Maccabees have their Isaac Waltons, too, in the persons of John Noble, Paul Randall, Charles Lee and Roy Stacy who hid themselves off up the Klamath River after the big ones.

As far as the boys at Dagna's Market are concerned, Italy can have their Leaning Tower of Pisa, for Dagna's has a tower of peanuts. No leaning tower this. It stretches straight and sure almost to the ceiling in 52 tiers of canned peanuts for a total of 832 cans. Counting the cut-open cases stacked around the base of the tower, there were 1,896 cans in the display when it was built. Joe Dagna, Jr., says similar stacks have been erected in other markets in this area but this one is the highest of them all.

Wallace D. Wade, son of Mr. and Mrs. Samuel O. Wade, 839 Key Route Blvd., pledged Delta Upsilon at the end of the first period of fall term rushing on the University of Oregon campus.

## NDGW Plan Bazaar, Food Sale Nov. 12 At Maccabee Temple

## \$69,000 LIBRARY BOND ISSUE OPPOSED IN LETTER TO COUNCIL

The City Council Monday night passed the first reading of an ordinance for a \$69,000 library bond election set for December 14 when county residents vote on a junior college district in Alameda County.

Opposition to the bond issue was expressed in a letter to the Council from the Albany Community Association. They urged a postponement of the vote. The three councilmen present passed the first reading, however, and will hold a second reading next Monday when a four-fifth vote will be needed for final approval.

The Community Association letter stated that the group favored the construction of a library but feared a bond issue might be defeated "at this time."

Economic conditions as a result of the oil and waterfront strikes were given as one reason for opposing the issue. They said it is also understood that there will be organized opposition to the election.

The letter cited expense to merchants for the recent Centennial "fiasco" and disunity in the city over the proposed recall of Mayor Frank Hays as factors possibly contributing to defeat of the bond issue.

Mrs. Jewell Dubroff asked the Council why a recreation building was not included in the library plans and that "both could be housed in one building."

Mayor Hays said the suggestion should be taken up with the Library Commission, but that the Council had to pass the first reading immediately in order to get the proposal on the ballot for December 14. City Attorney George Glavinovich stated that the issue was for construction of a library and that no recreation facilities could be considered on the same bond issue.

Other business before the Council included the appointment as regular patrolmen on the Police Force for Ralph Jensen and John McCarthy. This action was taken upon the recommendation of Police Chief Stanley Williams who said the two men have completed their six months period as probationary patrolmen.

Letters from two Oakland labor unions asked the Council to condemn Mayor Hays for working in the strikebound Standard Oil Refinery in Richmond. Councilman Lawrence Williams and Charles F. Graeber refused to take such action and backed Hays in his refusal.

### Sex Education Topic of Marin PTA Meeting

"The Place of Sex Education in the Elementary School" is the subject of the next meeting of the Marin Parent-Teacher Association to be held on November 9 at 2 p. m. in the Marin School Auditorium. Mrs. George Klammann, president of the unit, will preside.

Two guest speakers will be on the program, Mrs. Violet Richardson Ward, Supervisor of Health and Physical Education of Berkeley Schools and Mrs. Norma C. Carr, Albany School Nurse. Mrs. Ward will discuss the place of sex education in the elementary school and Mrs. Carr will explain what is taught Albany elementary students on the subject.

Two films will be shown at this meeting, "The Story of Menstruation" which is shown to the 7th grade girls and "Human Growth" which was produced by the University of Oregon after years of research and is now used in the Oregon schools as a medium of sex education. It is an excellent picture and an excellent method of handling the subject.

The purpose of showing these two films is to acquaint parents on what is actually taught in the line of sex education and what is available.

Members of the Executive Board and Room Mothers will give a dinner for the faculty of Marin School Friday, Nov. 5. Dinner will be held in the Marin School Cafeteria.

Mrs. W. J. McNulty, membership chairman, announces the second class to attain 100 per cent membership in the fifth grade, teacher Mrs. Anne Bertich. The first class to attain 100 per cent was the fourth grade, teacher Mr. Vance Teague.

## Mayor Frank Hays' Answer to the Albany Recall Committee

Dear Citizens:

A few misinformed people in our City have leveled an attack on your Mayor and Councilman, who has served you for the past 19 years, by what is termed by a large number of our citizens as vile, slanderous, misrepresentation and with intent to bring adverse publicity to the City of Albany. As your Mayor, I am willing to let the matter rest with the fair minded people of Albany as I believe they will support me and my right to work after the review my 19 years of public service and what I stand for. I will continue to support the rights and privileges of all of our citizens regardless of race, color or creed.

If you wish to avoid the unnecessary expense of a special recall election, which would amount to thousands of dollars, you may refuse to sign the recall petition.

I have supported necessary educational and recreational facilities.

I have voted favorably on measures that would improve public transportation.

I have supported measures that came before City Council that were favorable to organized labor.

I have also supported measures that would provide adequate housing for our citizens.

Regardless of the fact that I had a legal right to be absent from our City, without pay, for 60 days, I have been in constant touch with our Council, Department Heads, and other elected city officials.

I have signed all documents and have transacted business that was of major importance in spite of the fact that I did not attend seven Council meetings.

Our present form of government guarantees a right to the right to work, support his family, protect his investments and future security.

I have received many calls from leaders in our community who represent civic, fraternal and labor groups has been suggested by these true Americans that the citizens of Albany who are not already informed should investigate the background of the people who are operating as the Recall Committee.

I am sure that with your united support, we will defeat this small group who are attempting to bring dishonor and humiliation to our City and Officials by this Recall movement.

(signed) MAYOR FRANK V. HAYS

### Physical Fitness Classes Offered By Evening HS

Opening dates for both men's and women's physical fitness classes and for golf classes have been announced by the Albany Evening High School, 603 Key Route Blvd. The men's physical fitness course, taught by Leonard Callan, will open Monday evening, Nov. 8, and will meet each Monday and Wednesday evening from 7:30 to 9:30. The women's physical fitness class, under the direction of Miss Grace Dinsdale, will be conducted each Wednesday evening from 7:30 to 9:30, starting Wednesday, Nov. 10. The golf classes, taught by William Rogers, will start Thursday evening, Nov. 18, and will be held each Thursday evening thereafter.

Callan's class will emphasize instruction in basketball, calisthenics, weight lifting, bag punching, badminton, and corrective exercises. Miss Dinsdale's class will lay emphasis on weight reducing for those interested, corrective posture exercises of various types, calisthenics, and other exercises desired by those enrolling.

Rogers will have two classes in golf. One will be from 7 to 8:30, and the second from 8:30 to 10. Both classes are open to either experienced or inexperienced golfers, and will emphasize individual instruction to meet the needs and interests of those enrolled. Students must furnish their own clubs, but practice golf balls can be purchased from the school at low cost.

Those interested in registering in any of these classes may do so the evening they open. No prior registration is necessary.

### Paging Cantor

The Eddie Cantors of Hollywood have nothing on the Henry Henricksens of Albany, for on Oct. 28 Henry's wife, Catherine, gave birth to a five pound eight ounce girl, their fifth child, all daughters. Little Joyce Fay was storked into Alta Bates Hospital at 12 noon. Now at home at 1219 Marin Ave., mother and daughter are reported "doing fine."

## Last Rites Held For E. L. Stine Killed in Wis.

Funeral services were held Wednesday for Elmer L. Stine, 54, resident of Albany for more than 20 years, who was killed Oct. 29 at Lena, Wis., when the automobile in which he was riding was sideswiped by a truck in thick smoke from a peat bog fire.

Stine, scales supervisor for the Fairbanks-Morse Company for the entire country, had been away from home for the past month on a business trip. Funeral services were held at the Chapel of the Chimes, Oakland, under the direction of the Ellis-Olsen Mortuary, Rev. Kenneth Wallace officiated.

Stine's daughter, Miss Margaret Stine, who is teaching in Punahou Academy in Hawaii, arrived Monday by plane from the islands. His widow, Gladys, is active in community affairs in Albany and Berkeley. She is currently president of the board of directors of the Berkeley Camp Fire Girls and formerly headed the Berkeley-Albany Council of Parents and Teachers and Berkeley Council of Social Agencies. Also surviving is a son, Keith, who lives at the family home, 1441 Portland Ave.

Pictured here are just a few of the many colorful and amusing costumes donned by members of the Albany Exchange Club for their recent masquerade party. Seated left to right are Mesdames Ed Haran, George Fiderio, Jack Hamilton, Henry Villa, Harry Williams and John Pleich. Behind the ladies stand their husbands in the order named.

## Jr. Red Cross Readies Gifts For Holidays

With an eye on the holiday season ahead, the Junior Red Cross will continue the preparation of gift articles for Servicemen's and Children's hospitals. Apart from gift boxes sent abroad, International Art Exchange and Student Correspondence will continue to have a bright spot on the program.

The National Children's Fund will receive support and contributions from the local J.R.C. Chapter. This year the fund will have an expenditure of \$10,000 voted in aid to the schools in Alaska alone, due to the extreme shortage of educational materials. Fifty or sixty native schools are to profit by this project, which is only one on the long list of the fund.

Other current projects of the Junior Red Cross include the support of the Part-Pay Dental Clinic at the Herick Memorial Hospital, and the showing of movies by the Albany High School Council to students under home instruction.

Last year's activities of the Junior Red Cross include collection of numerous articles sent to children who were deprived of their homes in the Portland flood disaster. Two hundred articles of clothing were sent overseas along with over 800 gift boxes containing educational and health supplies.

Military and Veteran's Hospitals received a total of 11,341 gift articles. Daily bouquets of flowers found their way to the Oak Knoll hospital, and 50,000 home-made cookies were sent to Mare Island to cheer the men.

Children's hospitals in the Bay area were the recipients of numerous dolls, cradles, wheelbarrows and other miscellaneous toys.
